

KSCB Training Update

July 2017

This KSCB Trainer Update aims to keep you up to date with local and national developments to inform the training you deliver. There is a lot of information to share this month, so apologies for the length of this Update!

Please feel free to send me any information that you would think would be useful and I will incorporate it in the next edition. I will communicate anything of immediate relevance to you all in the form of a shorter 'Trainer Information' communication.

Sue Gower, KSCB Programme Development Officer

KSCB Information

KSCB Business Unit

There have been some changes within the team in recent months as follows:

- Karen Etheridge has now left and our Apprentice, Chloe Cattell, has joined the team and is now supporting our e-learning/training on a part time basis

Catherine Hampson and Liz Luck remain KSCB's Training Administrators:

- **Catherine** deals with the main KSCB multi-agency training offer, all CPD online queries and the secure online for Trainers - Catherine.hampson@kent.gov.uk
- **Liz** supports all bespoke training and finance - liz.luck@kent.gov.uk
- The generic Training email for queries or requests is: kscbtraining@kent.gov.uk

New courses

Keep checking out KSCB's training offer via our website. The full range of courses can be found at: <http://www.kscb.org.uk/training/find-training-courses/face-to-face-training-courses>. A number of new topics have either been added or are being developed, including our new accredited 5-day Train the Trainer course which is being held in October. This course is already proving very popular and if it is oversubscribed, we will hold an additional course in 2018.

Private Fostering 'Need to Know' sessions

Places are available on the following courses and can be booked on CPD online:

- Monday 25th September 2017 – 9:30am -11am – The Friars (Tonbridge and Malling)
- Monday 13th November 2017 – 9:30am – 11am – Aylesham Business Hub (Canterbury)

KSCB Trainer of the Year Award 2016-17

Each year one of our Trainers is selected to receive the KSCB Trainer of the Year Award in recognition of outstanding support for KSCB training. This support includes delivery of bespoke and multi-agency courses, the number of KSCB courses delivered within their own agency and any input into the design of KSCB training.

This year's award goes to Paulette Holliday, HR, Safeguarding and Training Manager for Channels and Choices. Paulette made an invaluable contribution to the development and delivery of KSCB's 'Essential Safeguarding for Children in Care' course last year, as well as delivering a significant number of courses for KSCB over the 12 month period in question. Many congratulations and thanks from all at KSCB Paulette!!

E-Learning

KSCB's e-learning suite continues to be well taken up. This free training can be accessed at: <http://www.kscb.org.uk/training/e-learning-courses> However, please note that whilst all KSCB e-learning courses are free, these **MUST** be completed within 28 days or an automatic £40 penalty will be charged. The majority of courses can be completed within an hour, so please ensure that you do complete any course as soon as possible, and **always finish one before starting another**. New courses include:

- Safer recruitment - Refresher

Training Venues

The search for free partner venues continues so that KSCB training is as cost effective as possible. If you are able to assist, please let us know. In return for a free-of-charge training venue, we will ring-fence 5 places at each course held at a venue and will deliver any specific course of interest - so please spread the word!! A letter detailing this offer and which can be shared with colleagues is attached.

Public Health CYP Outcomes Resource

The Public Health Team have recently published the CYP Outcomes Resource Pack which can be found at <http://www.kpho.org.uk/health-intelligence/population-groups/children-and-young-people/children-and-young-people-1>. It's designed to provide information the needs of the children and young people of Kent to support commissioning decisions. It brings together:

- existing CYP info resources, including the early years and youth hub profiles by district (<http://www.kpho.org.uk/health-intelligence/population-groups/children-and-young-people/children-and-young-people-1/childrens-health-and-social-care-maps>).
- demographic information
- an assessment of where Kent's outcomes for CYP are good or not so good when compared to the England average
- a deeper dive into those areas where in Kent doesn't do so well to look at outcomes at smaller geographic levels
- accompanying summaries that provide a commentary on these issues including what could be done to improve outcomes.
- an analysis of the 88 most deprived lower super output areas to look at assets and outcomes for children and young people.

This will be updated all the time, including the assessment of the outcomes in the near future and the more in depth analyses during the summer. If you have any questions or suggestions or would like support with using any of the information, please contact the individuals named on the individual documents or alternatively contact Claire Winslade, Consultant in Public Health, Claire.winslade@kent.gov.uk.

Topics of Interest

A brand new YouTube Series has been launched, called 'A Call for Better Practice and Research in Child Sexual Exploitation'. This is an 8-part series examining the biggest issues in the field of child sexual exploitation.

- Part 1 - Introduction and call to action
- Part 2 - CSE definition confusion
- Part 3 - CSE toolkits and assessments
- Part 4 - Professional agenda and disclosure
- Part 5 - Sexting and abusive imagery
- Part 6 - Problematic use of CSE resources
- Part 7 - Lack of evidence for CSE models
- Part 8 - Innovative research moving forward

Each video is about 7-10 minutes long and is aimed at professionals and academics in the field of sexual violence, social care, residential support and policing. Go to YouTube to watch the videos in order or dip in and out. <https://m.youtube.com/channel/UCZjXOFK2KOQuXOM2B1RN5Nw>
